The Future

As we look ahead, we are excited to unveil a suite of enhanced and entirely new offerings designed to empower our clients with unparalleled opportunities and sophisticated tools for navigating the evolving financial landscape. These innovations reflect our unwavering commitment to providing cutting-edge solutions, deepening our client relationships, and solidifying our position as your preferred partner in achieving financial aspirations. The coming years will see us introduce a range of services aimed at diversifying investment portfolios, optimizing trading strategies, and enhancing the overall client experience.

Basket Investing

This new offering streamlines investment by allowing clients to invest in pre-curated baskets of stocks, ETFs, or other securities. These baskets are strategically designed around specific themes, sectors, or risk profiles, providing diversified exposure and simplifying portfolio construction for both novice and experienced investors.

AIF

We are expanding access to exclusive investment opportunities through Alternative Investment Funds. AIFs provide sophisticated investors with avenues to invest in a diverse range of assets beyond traditional stocks and bonds, including private equity, venture capital, real estate, and hedge funds, offering potential for enhanced returns and portfolio diversification.

Merchant banking

Our foray into Merchant Banking will provide comprehensive financial advisory services to corporations and high-net-worth individuals. This includes expertise in areas such as mergers and acquisitions (M&A), corporate restructuring, fundraising, and strategic financial planning, supporting clients through complex transactional and growth-oriented challenges.

Insurance Agency

To offer a holistic financial solution, we are introducing Insurance Broking services. This will enable clients to access a wide array of insurance products – including life, health, general, and corporate insurance – tailored to their specific needs, ensuring comprehensive protection for their assets, health, and future.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on **15-09-2025 09:00 AM** and ends on **17-09-2025 05:00 PM** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) **11-09-2025** may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

The following Statement sets out, in terms of Section 102 of the Companies Act, 2013, all material facts relating to Special Business as mentioned in the accompanying Notice dated **25 August 2025**

Item No. 5: To appoint Secretarial Auditors of the Company-

The Board at its meeting held on May 12, 2025, based on recommendation of the Audit Committee and after evaluating and considering various factors such as industry experience, competency of the auditor, efficiency in conduct of audit, independence, etc., had approved the appointment of M/s. **Shailesh Indapurkar & Associates**, Practising Company Secretaries (ACS 17306, CP No. 5701) as Secretarial Auditor of the Company for a term of **5** consecutive years commencing from **1st April 2025 till 31st March 2030, subject to approval of the Members.**

The appointment of Secretarial Auditor shall be in accordance with the amended Regulation 24A of the SEBI Listing Regulations vide SEBI Notification dated December 12, 2024 and as per the provisions of Section 204 of the Act read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

M/s. Shailesh Indapurkar & Associates is a well-known Practising Company Secretaries having an experience of more than 15 years and is based in Pune. Renowned for its commitment to quality and precision. They have been allotted a Peer Reviewed and Quality Reviewed Certificate from Institute of Company Secretaries of India (ICSI), ensuring the highest standards in professional practices.

M/s. Shailesh Indapurkar & Associates focused on providing comprehensive professional services in corporate law, SEBI regulations, FEMA compliance and allied fields, delivering strategic solutions to ensure regulatory adherence and operational efficiency.

They provide services to various prominent companies, and their expertise has earned the trust of industry leaders across sectors like, manufacturing, pharmaceuticals, service sector IT Industry etc. M/s. Shailesh Indapurkar & Associates has confirmed that they are not disqualified and are eligible to be appointed as Secretarial Auditors in terms of Regulation 24A of the SEBI Listing Regulations. The services to be rendered by them as M/s. Shailesh Indapurkar & Associates as Secretarial Auditor is within the purview of the said regulation read with SEBI circular no. SEBI/HO/CFD/CFD-PoD-2/CIR/P/2024/185 dated December 31, 2024.

The proposed fees in connection with the secretarial audit shall be INR 75,000/- (Rupees Seventy-Five Thousand only) plus applicable taxes and other out-of-pocket expenses for FY 2025-2026 and for subsequent year of the term such fees as may be mutually agreed between the Board of Directors and M/s. Shailesh Indapurkar & Associates. In addition to the secretarial audit, M/s. Shailesh Indapurkar & Associates shall provide such other services in the nature of certifications and other professional work, as are allowed under the provisions of applicable laws and as approved by the Board of Directors. The relevant fees will be determined by the Board, as recommended by the Audit Committee in consultation with the Secretarial Auditors.

The relevant documents in this regard are open for inspection by the members at the Registered Office of the Company during business hours up to the date of the Annual General Meeting

The Board of Directors recommends the special resolution as set out in item no. 5 for approval. None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 5.

Item Nos. 6 and 7:**Increase in borrowing limits of the Company under Section 180(1)(c) and creation of Charges on the movable and immovable properties of the Company both present and future, in respect of borrowings under Section 180 (1)(a) of the Act.**

As per the provisions of Section 180(1)(c) of the Act, the Board of Directors of the Company cannot borrow monies in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company without the permission of the Shareholders in General Meeting by way of a Special Resolution.

The Company had previously obtained approval through a resolution passed at the Extra Ordinary General Meeting held on 20th February 2024, to borrow funds up to a limit of INR 200 crores. As on 15 August 2025, the Company has availed credit facilities approximately of INR 165 crores and continues to enjoy the sanctioned credit lines. However, to meet its short-term working capital requirements and requirement for general corporate on a long-term basis, the Company anticipates the necessity for additional funding. In light of emerging business opportunities and the Company's strategic intent to expand its operations, it may become imperative to borrow amounts exceeding the previously approved threshold.

Further, for the purpose of securing the present and future credit facilities, the immovable and movable properties of the company are required to be mortgaged / charged as security in favour of the Lenders in such form, manner and ranking as may be determined by the Board of Directors of the Company, from time to time, in consultation with the lender(s).

The owned capital of the Company i.e. shares of the Company would not be enough to generate the amount of funds and therefore, it is necessary to depend on fund based and non-fund based credit facilities such as Term Loans, Cash Credit, Letter of credit, Bank Guarantee etc. from the banks and financial institutions and other lenders.

In order to pursue opportunities that add value through both organic and inorganic means, it is crucial for the company to have access to specific funding options within a specified timeframe. This would enable the company to pursue

finance and successfully complete transactions in the best interest of its stakeholders. Therefore, Board recommends the resolutions set in the item nos. 6 and 7 to this notice for member's approval by way of Special Resolutions.

It is essential to obtain approval of shareholders for increasing the borrowing limits from time to time upto any sum or sums of moneys which together with moneys already borrowed by the Company, (apart from the temporary loans obtained or to be obtained from the company's bankers in the ordinary course of the Company's business) may exceed the aggregate of the paid up capital of the company and its free reserves (i.e. reserves not set apart for any specific purpose), provided however that total amount of borrowing **shall not exceed INR 400,00,00,000** (Rupees Four Hundred Crores only at any given point of time pursuant to section 180(1)(c).

The relevant documents in this regard are open for inspection by the members at the Registered Office of the Company during business hours up to the date of the Annual General

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolutions set out at Item Nos. 6 and 7.

2. STATE OF COMPANY'S AFFAIRS:

The Company closed its 18th Financial year with strong profitability, an expanded retail franchise and continued investments in technology. A year of regulatory upheaval saw top-line contraction but record bottom-line growth, validating management's pivot toward higher-yield products and disciplined cost control.

During the year under consideration, the Company on Standalone basis earned total income of INR 7,174 lakh and delivered its highest ever PAT of INR 1,505 lakh. Finance cost rose during the year as the firm drew an INR 25 crore from Piramal Enterprises against its MTF book.

Liquidity remained strong driven by cash & bank balances of INR 14,233 lakh (56% of the balance-sheet) and a current ratio of 1.88x.

The aforementioned performance was the result of consistent efforts made by Company in optimizing its broking as well as trading operations. The management does not see any risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due. Highlights of Company's performance are discussed in detail in the Management Discussion and Analysis Report (MDA), included in this Annual Report as required under Schedule V of the SEBI (LODR) Regulations, 2015.

Management Discussion & Analysis

Executive Summary

Pune E-Stock Broking Limited delivered robust financial performance in FY25 despite challenging market conditions, with standalone Profit After Tax reaching INR 15.05 Crores, representing a 30% increase over the previous year. The Company's strategic pivot toward margin funding and technology-enabled services positioned it well to capitalize on evolving market dynamics while maintaining strong liquidity and risk management standards.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Capital Markets Overview

The Indian capital markets witnessed significant regulatory changes and structural shifts during FY25. BSE Sensex gained approximately 13% during FY25, reaching new highs. Average Daily Trading Value (ADTV) in cash segment remained resilient above INR 95,000 Crores. Foreign Portfolio Investment (FPI) outflows were offset by strong domestic institutional participation.

SEBI implemented stricter norms on derivatives trading, including higher Securities Transaction Tax (STT) on options. Weekly expiry restrictions on index options led to ~50% reduction in F&O volumes. Introduction of enhanced margin requirements and risk management measures.

Industry Landscape

Equity cash volumes remained resilient in FY25, but index-option turnover halved after SEBI's curbs on weekly expiries and higher STT, compressing industry brokerage yields. Meanwhile, margin-funding assets for retail investors grew sharply as brokers pivoted to leveraged cash products.

SEBI's risk-containment measures drove a steep fall in speculative option volumes; monthly F&O turnover contracted from INR 11.4 trillion (Oct 24) to INR 5.8 trillion (Feb 25) before partial recovery in March. Cash-market ADTV, however, held above INR 95,000 crore as domestic institutions and SIP-oriented retail investors cushioned foreign outflows. Margin-funding AUM for the top 10 brokers grew 38% YoY to INR 19,000 crore.

Stock Broking Industry Trends

There has been shift from volume-based to value-added services including advisory, research, and margin financing. There has been growing importance of margin trading facilities (MTF). Few players are providing integration of insurance, mutual funds, and alternative investment products. Market share has been consolidating among top brokers & price competition continues with discount brokers with technology and customer service becoming key differentiators.

Further there has been enhanced KYC and AML requirements with stricter segregation of client funds and securities compliance requiring improved risk management and surveillance systems.

OPPORTUNITIES AND THREATS

Opportunities

Market Expansion:

- Rising retail participation with 140+ million demat accounts.
- Growing awareness of financial markets in Tier-2 and Tier-3 cities.
- Increasing penetration of derivatives trading among retail investors.

Business Diversification:

- GIFT City IFSC operations for NRI and global derivatives.
- Category-III AIF launch for alternative investment strategies.
- Insurance broking services for comprehensive financial solutions.

Technology Leverage:

- API-based institutional trading solutions.
- Algorithmic trading platform development.
- Robo-advisory and automated portfolio management.

Threats and Risk Factors

Regulatory Risks:

- Further restrictions on derivatives trading volumes.
- Changes in transaction costs and margin requirements.
- Compliance costs related to new regulatory frameworks.

Market Risks:

- Volatility affecting client trading activity.
- Concentration risk in equity derivatives segment.
- Interest rate fluctuations impacting margin funding business.

Operational Risks:

- Cybersecurity threats and data breaches.
- Technology system downtime during peak trading hours.
- Talent retention in competitive fintech environment.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

Core Broking Services

Cash Segment: Brokerage income from cash segment remained stable despite market volatility. Market share maintained in key trading centers. Client addition focused on quality over quantity.

Derivatives Segment: F&O volumes were impacted by regulatory changes.

Proprietary Trading: Net trading income contributed significantly to profitability & risk-adjusted returns maintained through disciplined position management.

Depository Services: Steady growth was observed in demat account base.

Margin Financing: MTF book is continuously increasing. Further focus is on book expansion with increased risk management framework strengthened.

OUTLOOK AND FORWARD-LOOKING STATEMENTS

Establishing Category III Alternative Investment Fund (AIF) to increase product offerings for clients & increasing reach. Further company is in process of obtaining Merchant Banking License from SEBI & Insurance Broking with IRDAI.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Pune E - Stock Broking Limited

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of **Pune E - Stock Broking Limited** ("the Holding Company") and its subsidiaries and its associate companies. (Holding company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2025, the consolidated Statement of Profit and Loss, the consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate/consolidated financial statements of such subsidiaries, associates and joint ventures as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and joint ventures as at 31st March 2025, of its consolidated profit and loss statement and the consolidated cash flows for the year then ended.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended 31 March, 2025. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key audit matters

1. IT Systems and controls

The financial accounting and reporting systems of the Company are fundamentally reliant on IT systems and IT controls to process significant transaction volumes.

Automated accounting procedures and IT environment controls, which include IT governance, general IT controls over program development and changes, access to programs and data and IT operations, are required to be designed and to operate effectively to ensure accurate financial reporting.

Therefore, due to the pervasive nature and complexity of the IT environment, the assessment of the general

How our audit addressed the key audit matter

IT controls and the application controls specific to the accounting and preparation of the financial information is considered to be a key audit matter.

We performed the following procedures assisted by specialized IT auditors on the IT infrastructure and applications relevant to financial reporting:

- Tested IT general controls (logical access, change management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized.
- Tested the Company's periodic review of access rights.
- In addition to the above, we tested the design and operating effectiveness of certain automated and IT dependent manual controls that were considered as key internal controls over financial reporting.
- Tested the design and operating effectiveness compensating controls in case deficiencies were identified and, where necessary, extended the scope of our substantive audit procedures

Other Information

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Group's Annual Report, but does not include the financial statements and auditor's reports thereon. The Group's Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information, and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Management's Responsibility for the consolidated financial statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified in Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Management and Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of such entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph (a) of the section titled "Other Matters" in this audit report.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial results include the audited financial results of subsidiaries, whose financial results for the year ended on that date, as considered in the consolidated financial results. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the associate is based solely on the reports of the other auditor. Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of this matter with respect to our reliance on the work done and the reports of the other auditor.

These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the associate is based solely on the reports of the other auditor. ANNEXURE B

To the Independent Auditor's Report of even date on the Consolidated Financial Statements of Pune E - Stock Broking Limited for the year ended March 31, 2025

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **Pune E - Stock Broking Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of **Pune E - Stock Broking Limited** (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting with reference to consolidated financial statements of the Holding Company and its subsidiary companies incorporated in India (the Holding Company and its subsidiaries together referred to as the "Group"), as of that date.

Management Responsibility for Internal Financial Controls

The respective board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted audit in accordance with the Guidance note on Audit of Internal financial controls over financial reporting issued by the institute of Chartered Accountants of India and Standards on Auditing prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls. Those standards and the Guidance note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the accuracy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of the financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company. (2) Provide reasonable assurance that transactions recorded as necessary to permit preparation of consolidated financial statements in generally accepted accounting principles. And that receipts and expenditure of the company are being made only in accordance with the authorizations management and directors of the company. (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition on the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitation of Financial Controls over Financial Reporting

Because of the inherent limitations of financial controls over the financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Note 2

Significant Accounting Policies

The principal accounting policies applied in the preparation of these Consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of Preparation of financial statements

a) Statement of compliance

The Consolidated Financial Statements (CFS) comprises the financial statements of PUNE - E - STOCK BROKING LIMITED (the Company) and its subsidiaries PUNE FINVEST LIMITED and PUNE E - STOCK BROKING IFSC LIMITED and PESB INSURANCE BROKING LIMITED and its associate BUMBLE JUMBLE PRIVATE LIMITED. The Company and its subsidiary and associate constitute the Group Company. The Consolidated Financial Statements of the Group have been prepared in conformity with accounting principles generally accepted in India, including Accounting Standards ('AS') as specified under Section 133 of the Companies Act, 2013, (the Act), read with Rule 7 of Companies (Accounts) Rules 2014 and the relevant provisions of the Act to the extent applicable. Group follows mercantile system of accounting and recognizes income and expenditure on accrual basis, except for those with significant uncertainties.

b) Basis of measurement

The Consolidated financial statements are prepared on a going concern basis, as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

These Consolidated financial statements have been prepared under the historical cost convention. Company follows mercantile system of accounting and recognizes income and expenditures on accrual basis.

c) Functional and presentation currency

The Consolidated Financial Statements are presented in Indian Rupees which is also the functional currency of the Company and all amount in the Financial Statements are presented in ` Lacs, unless otherwise stated.

d) Use of Estimates

The presentation of Consolidated financial statements in conformity with the generally accepted accounting principles require the management to make estimates and assumptions that affect the reported amount of assets and liabilities, revenue and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may diverge from these estimates.

2.2 Principles of consolidation

The financial statements of PUNE E - STOCK BROKING LIMITED and its subsidiaries have been consolidated on a line by line basis by adding together like items of assets, liabilities, income, expenses, after eliminating intra group transactions and any unrealized gains or losses in accordance with the Accounting Standard - 21 on "Consolidated Financial Statements" (AS 21). The financial statements of Pune E - Stock Broking Private Limited and its

subsidiaries have been consolidated using uniform accounting policies for like transactions and other events in similar circumstances. The excess of cost of investments in the subsidiary company/s over the share of the equity of the subsidiary company/s at the date on which the investment in the subsidiary company/s is made and recognized as 'Goodwill on Consolidation' and is disclosed on the face of the Balance Sheet in the Consolidated Financial Statements. Alternatively, where the share of equity in the subsidiary company/s as on the date of investment is in excess of cost of the investment, it is recognized as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the Consolidated Financial Statements. Minority interest in the net assets of the consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made in the subsidiary company/s and further movements in their share in the equity, subsequent to the dates of investments. The losses in subsidiary/s attributable to the minority shareholder are recognized to the extent of their interest in the equity of the subsidiary/s.

2.3 Property Plant and Equipment

Tangible Assets

Initial and Subsequent Recognition:

- a. Tangible fixed assets are stated at cost of acquisition or construction less accumulated depreciation. All significant costs relating to the acquisition and installation of Tangible fixed assets are capitalized. Any trade discounts and rebates are deducted in arriving at the cost price. Subsequent expenditures related to an item of Fixed Asset are added to its book value only if they increase the future benefits from the existing assets beyond its previously assessed standard of performance.

Depreciation methods, estimated useful lives and residual value:

Estimated useful lives of items of Property, Plant and Equipments are as follows

Assets	Useful life
Office Building	60
Computer / Computer Server	03
Furniture, Fittings & Fixtures	10
Office Equipment	05
Electrical Fittings	15

Derecognition:

Gains/losses arising from the retirement/disposal of tangible assets are determined as the difference between the net disposal proceeds and the carrying amount of the assets and recognized as income or expense in the statement of profit and loss account.

2.4 Intangible Assets

Measurement at recognition

Intangible assets are recognized where it is probable that the future economic benefit attributable to the assets will flow to the Company and its cost can be reliably measured.

Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets comprise of Computer software. Purchased software meant for in house consumption and significant upgrades thereof having probable economic benefit exceeding one year are capitalized at acquisition price. Purchased intangible assets are amortized over their useful lives unless these lives are determined to be indefinite. Purchased intangible assets are carried at cost, less accumulated amortization. An impairment test of intangible assets is conducted annually or more often if there is an indication of a decrease in value.

Amortisation:

It is the systematic allocation of the depreciable amount of an asset over its useful life. Intangible Assets with finite lives are amortised on a diminishing basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss. The amortisation period and the amortization method for an intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Estimated useful lives of items of Intangible Assets:

Assets	Useful life
Computer Software	03

Derecognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains/losses arising from the retirement/disposal of an intangible assets are determined as the difference between the net disposal proceeds and the carrying amount of the assets and recognized as income or expense in the statement of profit and loss account.

2.5 Investments

Investments are classified into Long term investments and current investments. Investments that are intended to be held for one year or more are classified as Long term investments and investments that are intended to be held for less than one year are classified as current investments.

Long term Investments are carried at cost and provision is made to recognize any decline, other than temporary in the value of such investment and Current investments are valued at cost or market/fair value, whichever is lower. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of Profit and Loss.

Profit on sale of investment is recorded on First in First out basis (FIFO).

2.6 Investments in subsidiaries

Investments in subsidiaries are measured at cost less accumulated impairment, if any. The company assesses at the end of each reporting period if there are any indications of impairment on such investments. If so, the company estimates the recoverable amount of the investment and provides for impairment

2.7 Revenue Recognition

Revenue from proprietary trading consists primarily of net trading income earned by the company when trading as principal. Net Trading income from proprietary trading represents trading gain net of trading losses.

The profit & loss arising from all transactions entered into on account and risk of the company are recorded on completion of trade date.

- Brokerage Income is recognized on settlement date basis and is exclusive of Goods, Services Tax, Securities Transaction Tax (STT), and Stamp Duty, wherever applicable.
- Interest of Bank deposit is recognized on an accrual basis. (Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.)
- Dividend income is recognized when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be reliably measured. This is generally when the Board of Directors/ shareholders approve the dividend
- The profit/loss on sale of investments is recognized in the Statement of profit and loss on the trade date. Profit or loss on sale of investments is determined on First in First out (FIFO) basis.
- The company has designated the securities/commodities as financial assets at "fair value through Statement of Profit and loss ". Such designations are considered by the Company to eliminate / significantly reduce measurement / recognition inconsistency that would otherwise arise. These instruments are measured at fair value and changes therein are recognized in the statement of profit and loss.
- Fair value is determined using quoted market prices in an actively traded market, for the instrument, wherever available, as the best evidence of fair value. In the absence of quoted market prices in an actively traded market, an appropriate valuation technique is used to determine the fair value.
- Derivatives: The Company holds derivative instruments to hedge exposure to price risk associated with equities/ commodities/currencies instruments and/or for trading. The derivative instruments entered into by the Company are mainly in the nature of options and futures. Derivatives are measured at fair value, and resultant changes

therein are recognized in the statement of profit and loss. Fair value is determined using quoted market prices in an actively traded market, for the instrument, wherever available, as the best evidence of fair value. In the absence of quoted market prices in an actively traded market, an appropriate valuation technique is used to determine the fair value.

- h. In respect of other heads of income, income from depository operations etc., the company accounts the same on accrual basis.
- i. Other Income: Other Income have been recognized on an accrual basis in the Consolidated Financial Statements, except when there is uncertainty of collection.

2.8 Impairment of assets

As per AS28 – Impairment of Assets, the company assesses at each balance sheet date whether there is any indication that an asset (Tangible or intangible) may be impaired. An asset is impaired when the carrying amount of the assets exceeds its recover amount. An impairment loss is charged to the statement of profit and loss account in the year in which as asset is identified as impaired. An impairment loss is reversed to the extent that the asset carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

2.9 Employee Benefits

Defined Contribution Plan

Employee benefits in the form of Provident Fund and Employee State Insurance scheme etc., are considered as defined contribution plan and the contributions are charged to the Profit & Loss Account for the year when the expense is actually incurred.

Gratuity

The company has funded Gratuity plan administered through LIC of India. The Company provides for Gratuity; a defined benefits plan (the "Gratuity plan") covering eligible employees in accordance with the Payment of Gratuity Act 1972. The gratuity provides for a lump sum payment to vested employees at retirement, death, incapacitation termination of employment of an amount based on the respective employee salary and the tenure of employment.

The liability is actuarially determined (using Projected Unit Method) at the end of each year.

The defined benefit obligation is calculated at or near the Balance Sheet date by an independent actuary using the projected unit credit method. The liability recognized in the Balance Sheet in respect of gratuity is the present value of defined benefit obligation at the Balance Sheet date together with the adjustments for unrecognized actuarial gain or losses and the past service costs. The change in the liability between the reporting dates is charged in the Statement of profit and loss (except for the unrealized actuarial gains and losses). Actuarial gains and losses comprise experience adjustment and the effects of changes in actuarial assumptions are recognized in the period in which they occur, are recognized in the statement of profit and loss account in the year in which they arise.

An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each year end."

Compensated absences

The employee of the company is entitled to compensated absences as per the policy of the company. Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement at the end of the year.

Accumulated compensated absences, which are expected to be availed beyond 12 months from the end of the year are treated as long term employee benefits. The company's liability for compensated absences is actuarially determined (using Projected Unit Method) at the end of each year. Actuarial gain /loss are recognized in the statement of profit and loss account in the year in which they arise.

- a. Short Term employee benefits are recognized as expenses at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- b. Gratuity is post-employment benefit and is in the nature of Defined Benefit Plan.

2.10 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

2.11 Income Tax

The income tax expense comprises current and deferred tax incurred by the Company. Income tax expense is recognised in the profit and loss statement. Income tax payable on profits is based on the applicable tax laws in each tax jurisdiction and is recognised as an expense in the period in which profit arises. Income taxes recognised in any year consists of following:

a. Current Taxation:

Current tax is the expected tax payable/receivable on the taxable income or loss for the period, using tax rates enacted for the reporting period and any adjustment to tax payable/receivable in respect of previous years. Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognised amounts; and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously

Provision for taxation is made for the current accounting year on the basis of the taxable profits computed in accordance with the provisions of Income Tax Act, 1961.

b. Deferred Tax:

Deferred tax is recognized, subject to consideration of prudence in respect of deferred tax assets, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantially enacted at the balance sheet date.

c. Minimum Alternate Tax (MAT):

MAT credit is recognized as an asset to the extent that there is convincing evidence that company will pay normal income tax during the specified period. The company reviews MAT credit at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the company will pay normal income tax during the specified period.

2.12 Accounting for Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. A disclosure for a contingent liability is made when there is a possible obligation or present obligation that may, but probably will not; require an out flow of resources. Contingent assets are neither recognized nor disclosed in the Consolidated financial statements.

2.13 Foreign currency transactions and translations

Initial recognition: Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Conversion: Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the reporting date, are translated at the reporting date at the closing exchange rate and the resultant exchange differences are recognised in the Statement of Profit and Loss. Non-monetary items that are measured at historical cost in a foreign currency are translated using the spot exchange rates as at the date of recognition"

2.14 Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non cash nature and any deferrals of past or future cash receipts and payments. The cash flows from regular operating, investing and financing activities of the company are segregated.

2.15 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, deposits held at call with financial institutions, other short-term, highly liquid investments readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank borrowings are used for business purposes, and hence bank overdrafts are not considered to be a part of cash and cash equivalents in Cash flow statement

2.16 Segment Reporting

The segment reporting is prepared in accordance with AS-17 Segment Reporting.

The Company is having single segment as the Company's business is to provide broking services, to its clients, in the capital markets in India and also to do proprietary trading in derivative and cash market. All other activities of the Company are ancillary to the main business.

2.17 Earnings Per Share

- Basic earnings per equity share is computed by dividing net profit or loss after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year.
- Diluted earnings per share reflects the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per equity share is computed by dividing adjusted net profit or loss after tax by aggregate of weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

2.18 Exceptional Items

The Company recognizes exceptional items when items of income and expenses within Statement of Profit and Loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period. Significant impact on the Consolidated financial statements arising from impairment of investments in subsidiaries and associates, gain/ loss on disposal of subsidiaries and associates (other than major lines of business that meet the definition of a discontinued operation) are considered and reported as exceptional items.

2.19 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the Consolidated financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

2.28 Employee Benefits:

Defined Contribution Plans

The group recognized following amounts in the Statement of Profit and Loss:

Towards Employer's Contribution to Provident Fund and Employee State Insurance INR 14.61 lakhs for the year ended March 31, 2025. (Previous year- March 31, 2024 INR11.39 lakhs)

Defined benefit plans

The Group offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee's compensation (Last drawn basic salary immediately before retirement). The gratuity scheme covers substantially all regular Employees. Such plan exposes the Company to actuarial risks such as: Interest rate risk, Liquidity Risk, Salary Escalation Risk, demographic risk and Regulatory Risk, defined as follows:

Interest Rate Risk:

The plan exposes the Group to the risk of falling interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

Liquidity Risk:

This is the risk that the Group may not be able to meet the short-term gratuity payouts. This may arise due to non-availability of enough cash/cash equivalent to meet the liabilities or holding of liquid assets not being sold in time.

Demographic Risk:

The Group has used certain mortality and attrition assumptions in valuation of the liability. The Group is exposed to the risk of actual experience turning out to be worse compared to the assumption.

Salary Escalation Risk:

The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have bearing on the plan's liability.

Regulatory Risk

Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of INR 20,00,000 etc.). The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields/ rates available on applicable bonds as on the current valuation date. The salary growth rate indicated above is the Group best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, seniority, promotions, past experience and other relevant factors such as demand and supply in the employment market, etc. Mortality rate is a measure of the number of deaths (in general or due to specific cause) in a population, scaled to the size of that population, per unit of time.

The following tables set out the funded status of the gratuity benefit Scheme and the amounts recognized in the Group's financial statements:

The principal assumptions used in determining above defined benefit obligations for the Company's plans are shown below:	As at March 31, 2025	As at March 31, 2024

Opinion

We have audited the accompanying standalone financial statements of **Pune E - Stock Broking Limited** ("the Company"), which comprises the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the **Companies Act, 2013** ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit (or Loss)* and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

2. IT Systems and controls

The financial accounting and reporting systems of the Company are fundamentally reliant on IT systems and IT controls to process significant transaction volumes.

Automated accounting procedures and IT environment controls, which include IT governance, general IT controls over program development and changes, access to programs and data and IT operations, are required to be designed and to operate effectively to ensure accurate financial reporting.

Therefore, due to the pervasive nature and complexity of the IT environment, the assessment of the general.

IT controls and the application controls specific to the accounting and preparation of the financial information is considered to be a key audit matter

We performed the following procedures assisted by specialized IT auditors on the IT infrastructure and applications relevant to financial reporting:

- Tested IT general controls (logical access, change management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized.
- Tested the Company's periodic review of access rights.
- In addition to the above, we tested the design and operating effectiveness of certain automated and IT dependent manual controls that were considered as key internal controls over financial reporting.
- Tested the design and operating effectiveness compensating controls in case deficiencies were identified and, where necessary, extended the scope of our substantive audit procedures.

Information other than the standalone financial statements and auditors' report thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and auditor's report thereon. The Company's Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated

Management's Responsibility for the (Standalone) Standalone financial statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act 2013 ('the Act') with respect to preparation and presentation of these standalone financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified in Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of the financial statement

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.

 - (c) The Standalone balance sheet, the standalone statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the **Companies (Accounts) Rules, 2014**;
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to Standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report; Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to the standalone financial statements.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us

- I. The Company does not have any pending litigations which would impact its standalone financial position except as disclosed under Note 2.21(b) in the notes to accounts.
- II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, incorporated in India
- IV. a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested by the Company to or in any other person(s) or entity(ies), including foreign entities with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities, with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- V. No dividend has been proposed by the company during the previous financial year. Accordingly, the provisions of Sec. 123 of the companies act are not applicable.
- VI. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the company as per statutory requirement for record retention.

ANNEXURE B

To the Independent Auditor's Report of even date on the standalone financial statements of Pune E - Stock Broking Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls with reference to financial statements of **Pune E - Stock Broking Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to these Standalone financial statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as

necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

The Company is engaged in the business of Stock Broking, Pro Trading and depository services.

The company is a Limited Company incorporated and domiciled in India and has its registered office at Pune, Maharashtra, India.

Note 2

Significant Accounting Policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of Preparation of financial statements

a) Statement of compliance

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013.

b) Basis of measurement

The financial statements are prepared on a going concern basis, as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

These financial statements have been prepared under the historical cost convention. Company follows mercantile system of accounting and recognizes income and expenditures on accrual basis.

c) Functional and presentation currency

The Financial Statements are presented in Indian Rupees which is also the functional currency of the Company and all amount in the Financial Statements are presented in ` Lacs, unless otherwise stated. Certain amounts that are required to be disclosed and do not appear due to rounding-off are expressed as 0.00.

d) Use of Estimates

The presentation of financial statements in conformity with the generally accepted accounting principles require the management to make estimates and assumptions that affect the reported amount of assets and liabilities, revenue and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may diverge from these estimates.

2.2 Property Plant and Equipment

Tangible Assets

Initial and Subsequent Recognition:

- a. Tangible fixed assets are stated at cost of acquisition or construction less accumulated depreciation. All significant costs relating to the acquisition and installation of Tangible fixed assets are capitalized. Any trade discounts and rebates are deducted in arriving at the cost price. Subsequent expenditures related to an item of Fixed Asset are added to its book value only if they increase the future benefits from the existing assets beyond its previously assessed standard of performance.

Depreciation methods, estimated useful lives and residual value:

Estimated useful lives of items of Property, Plant and Equipment's are as follows

Assets	Useful life (Years)
Office Building	60
Computer / Computer Server	03
Furniture, Fittings & Fixtures	10
Office Equipment	05
Electrical Fittings	15

Derecognition:

Gains/losses arising from the retirement/disposal of tangible assets are determined as the difference between the net disposal proceeds and the carrying amount of the assets and recognized as income or expense in the statement of profit and loss account.

Intangible Assets

Measurement at recognition

Intangible assets are recognized where it is probable that the future economic benefit attributable to the assets will flow to the Company and its cost can be reliably measured.

Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets comprise of Computer software. Purchased software meant for in house consumption and significant upgrades thereof having probable economic benefit exceeding one year are capitalized at acquisition price. Purchased intangible assets are amortized over their useful lives unless these lives are determined to be indefinite. Purchased intangible assets are carried at cost, less accumulated amortization. An impairment test of intangible assets is conducted annually or more often if there is an indication of a decrease in value.

Amortisation:

It is the systematic allocation of the depreciable amount of an asset over its useful life. Intangible Assets with finite lives are amortised on a diminishing basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss. The amortisation period and the amortization method for an intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Estimated useful lives of items of Intangible Assets:

Assets	Useful life
Computer Software	03

Derecognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains/losses arising from the retirement/disposal of an intangible assets are determined as the difference between the net disposal proceeds and the carrying amount of the assets and recognized as income or expense in the statement of profit and loss account.

2.3 Investments

Investments are classified into Long term investments and current investments. Investments that are intended to be held for one year or more are classified as Long term investments and investments that are intended to be held for less than one year are classified as current investments.

Long term Investments are carried at cost and provision is made to recognize any decline, other than temporary in the value of such investment and Current investments are valued at cost or market/fair value, whichever is lower. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of Profit and Loss. Profit on sale of investment is recorded on First in First out basis (FIFO).

2.4 Investments in subsidiaries

Investments in subsidiaries are measured at cost less accumulated impairment, if any, The company assesses at the end of each reporting period if there are any indications of impairment on such investments. If so, the company estimates the recoverable amount of the investment and provides for impairment

2.5 Revenue Recognition

Revenue from proprietary trading consists primarily of net trading income earned by the company when trading as principal. Net Trading income from proprietary trading represents trading gain net of trading losses.

The profit & loss arising from all transactions entered into on account and risk of the company are recorded on completion of trade date.

- a. Brokerage Income is recognized on settlement date basis and is exclusive of Goods, Services Tax, Securities Transaction Tax (STT), and Stamp Duty, wherever applicable.
- b. Interest of Bank deposit is recognized on an accrual basis. (Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.)
- c. Dividend income is recognized when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be reliably measured. This is generally when the Board of Directors/ shareholders approve the dividend
- d. The profit/loss on sale of investments is recognized in the Statement of profit and loss on the trade date. Profit or loss on sale of investments is determined on First in First out (FIFO) basis.
- e. The company has designated the securities/commodities as financial assets at "fair value through Statement of Profit and loss ". Such designations are considered by the Company to eliminate / significantly reduce measurement / recognition inconsistency that would otherwise arise. These instruments are measured at fair value and changes therein are recognized in the statement of profit and loss.
- f. Fair value is determined using quoted market prices in an actively traded market, for the instrument, wherever available, as the best evidence of fair value. In the absence of quoted market prices in an actively traded market, an appropriate valuation technique is used to determine the fair value.
- g. Derivatives: The Company holds derivative instruments to hedge exposure to price risk associated with equities/ commodities/currencies instruments and/or for trading. The derivative instruments entered into by the Company are mainly in the nature of options and futures. Derivatives are measured at fair value, and resultant changes therein are recognized in the statement of profit and loss. Fair value is determined using quoted market prices in an actively traded market, for the instrument, wherever available, as the best evidence of fair value. In the absence of quoted market prices in an actively traded market, an appropriate valuation technique is used to determine the fair value.
- h. In respect of other heads of income, income from depository operations etc., the company accounts the same on accrual basis.

- i. Other Income: Other Income have been recognized on an accrual basis in the Financial Statements, except when there is uncertainty of collection.

2.6 Impairment of assets

As per AS28 – Impairment of Assets, the company assesses at each balance sheet date whether there is any indication that an asset (Tangible or intangible) may be impaired. An asset is impaired when the carrying amount of the assets exceeds its recover amount. An impairment loss is charged to the statement of profit and loss account in the year in which an asset is identified as impaired. An impairment loss is reversed to the extent that the asset carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

2.7 Employee Benefits

Defined Contribution Plan:

Employee benefits in the form of Provident Fund and Employee State Insurance scheme etc, are considered as defined contribution plan and the contributions are charged to the Profit & Loss Account for the year when the expense is actually incurred.

Gratuity:

The company has funded Gratuity plan administered through LIC of India. The Company provides for Gratuity; a defined benefits plan (the "Gratuity plan") covering eligible employees in accordance with the Payment of Gratuity Act 1972. The gratuity provides for a lump sum payment to vested employees at retirement, death, incapacitation termination of employment of an amount based on the respective employee salary and the tenure of employment.

The liability is actuarially determined (using Projected Unit Method) at the end of each year.

The defined benefit obligation is calculated at or near the Balance Sheet date by an independent actuary using the projected unit credit method. The liability recognised in the Balance Sheet in respect of gratuity is the present value of defined benefit obligation at the Balance Sheet date together with the adjustments for unrecognised actuarial gain or losses and the past service costs. The change in the liability between the reporting dates is charged in the Statement of profit and loss (except for the unrealised actuarial gains and losses). Actuarial gains and losses comprise experience adjustment and the effects of changes in actuarial assumptions are recognized in the period in which they occur, are recognized in the statement of profit and loss account in the year in which they arise.

An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each year end."

Compensated absences:

The employee of the company is entitled to compensated absences as per the policy of the company. Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement at the end of the year.

Accumulated compensated absences, which are expected to be availed beyond 12 months from the end of the year are treated as long term employee benefits. The company's liability for compensated absences is actuarially determined (using Projected Unit Method) at the end of each year. Actuarial gain /loss are recognized in the statement of profit and loss account in the year in which they arise.

2.8 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs

consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.9 Income Tax

The income tax expense comprises current and deferred tax incurred by the Company. Income tax expense is recognised in the profit and loss statement. Income tax payable on profits is based on the applicable tax laws in each tax jurisdiction and is recognised as an expense in the period in which profit arises. Income taxes recognised in any year consists of following:

a. Current Taxation:

Current tax is the expected tax payable/receivable on the taxable income or loss for the period, using tax rates enacted for the reporting period and any adjustment to tax payable/receivable in respect of previous years. Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognised amounts; and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously

b. Deferred Tax: Deferred tax is recognized, subject to consideration of prudence in respect of deferred tax assets, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantially enacted at the balance sheet date.

c. Minimum Alternate Tax (MAT): credit is recognized as an asset to the extent that there is convincing evidence that company will pay normal income tax during the specified period. The company reviews MAT credit at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the company will pay normal income tax during the specified period.

2.10 Accounting for Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. A disclosure for a contingent liability is made when there is a possible obligation or present obligation that may, but probably will not; require an out flow of resources. Contingent assets are neither recognized nor disclosed in the financial statements.

2.11 Foreign currency transactions and translations

Initial recognition: Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Conversion: Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the reporting date, are translated at the reporting date at the closing exchange rate and the resultant exchange differences are recognised in the Statement of Profit and Loss. Non-monetary items that are measured at historical cost in a foreign currency are translated using the spot exchange rates as at the date of recognition"

2.12 Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non cash nature and any deferrals of past or future cash receipts and payments. The cash flows from regular operating, investing and financing activities of the company are segregated.

2.13 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, deposits held at call with financial institutions, other short-term, highly liquid investments readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank borrowings are used for business purposes, and hence bank overdrafts are not considered to be a part of cash and cash equivalents in Cash flow statement

2.14 Segment Reporting

The segment reporting is prepared in accordance with AS-17 Segment Reporting.

The Company is having single segment as the Company's business is to provide broking services, to its clients, in the capital markets in India and also to do proprietary trading in derivative and cash market. All other activities of the Company are ancillary to the main business.

2.15 Earnings Per Share

- c. Basic earnings per equity share is computed by dividing net profit or loss after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year.
- d. Diluted earnings per share reflects the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per equity share is computed by dividing adjusted net profit or loss after tax by aggregate of weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

2.16 Exceptional Items

The Company recognises exceptional items when items of income and expenses within Statement of Profit and Loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period. Significant impact on the financial statements arising from impairment of investments in subsidiaries and associates, gain/ loss on disposal of subsidiaries and associates (other than major lines of business that meet the definition of a discontinued operation) are considered and reported as exceptional items.

2.17 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

2.18 Payment to auditors:

Nature of CSR activities:

For Year ended 31st March, 2025: As per Schedule VII: Promoting health care including preventive health care; Promotion of Education and school Infrastructure.

For Year ended 31st March, 2024: As per Schedule VII: Promoting health care including preventive health care; Promotion of Education and school Infrastructure.

2.26 Employee Benefits:

Defined Contribution Plans

The company recognized following amounts in the Statement of Profit and Loss:

Towards Employer's Contribution to Provident Fund and Employee State Insurance INR 14.61 lakhs for the year ended March 31, 2025. (Previous year- March 31, 2024 INR11.39 lakhs)

Defined benefit plans

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee's compensation (Last drawn basic salary immediately before retirement). The gratuity scheme covers substantially all regular Employees. Such plan exposes the Company to actuarial risks such as: Interest rate risk, Liquidity Risk, Salary Escalation Risk, demographic risk and Regulatory Risk, defined as follows:

Interest Rate Risk:

The plan exposes the Company to the risk of falling interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

Liquidity Risk:

This is the risk that the Company may not be able to meet the short-term gratuity payouts. This may arise due to non-availability of enough cash/cash equivalent to meet the liabilities or holding of liquid assets not being sold in time.

Demographic Risk:

The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

Salary Escalation Risk:

The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have bearing on the plan's liability.

Regulatory Risk

Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of INR 20,00,000 etc.). The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields/ rates available on applicable bonds as on the current valuation date. The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, seniority, promotions, past experience and other relevant factors such as demand and supply in the employment market, etc. Mortality rate is a measure of the number of deaths (in general or due to specific cause) in a population, scaled to the size of that population, per unit of time.

The following tables set out the funded status of the gratuity benefit Scheme and the amounts recognized in the Company's financial statements:

The principal assumptions used in determining above defined benefit obligations for the Company's plans are shown below:	As at March 31, 2025	As at March 31, 2024
